Last week we began Lent by looking at the temptations that lie in wait for us as we try to follow Christ. This week we are given a shot in the arm as we glimpse something of the glory of Jesus in the Transfiguration. Faith wouldn't be faith if the route were signposted with certainties. It demands abandonment to trust in God's promises. At this early stage of Lent we are once again given a glimpse of the glory that is on offer for those who persevere. So Lent isn't just about sin. It's also about faith, promise, perseverance, hope, dreams, compassion, trust, reconciliation and renewal.

**YOUTH ALIVE 2010**

Each month young people gather in different places around the diocese to celebrate their faith. Youth Alive is in its eleventh year and it is a good focal point for young Catholics in the Archdiocese. It is also worth bringing confirmation groups to the Mass and to the social event afterwards. Please note the differences in times over the next couple of months. The April Youth Alive Mass has been moved to Palm Sunday to coincide with the World Youth Day, which will be celebrated in local diocese this year.
